

RESUME

AHMAD AFIQ BIN ABD JALIL

No. 43 ,7/38 Jalan Platinum

Seksyen 7

4000 Shah Alam,

Selangor Darul Ehsan

e-mail: afiqabdj@gmail.com

Mobile No: +011-6137 3273

OBJECTIVE

Develop adaptive server and database for functionality and to be the best web developer that I can be to contribute to the technology industry all that I know and can do

EDUCATION & QUALIFICATION

Diploma in Computer Science (2022-2025)

Univeriti Teknikal Malaysia Melaka

- Obtained 3.87 CGPA in the final year
- Attended academic courses on software programming, World Skills (2024)

Sijil Pelajaran Malaysia (2017-2021)

Sekolah Menengah Kebangsaan Seksyen 7 Shah Alam

- Obtained 5A ,3B and 1C with distinctions in English language, Computer Science, Chemistry, Physics and Additional Mathematics.

EXPERIENCE

Part-Time Experience: Service Crew (April-July 2022)

Breadtalk Group Pte Ltd, Selangor

Gained valuable experience in customer service, food preparation and personnel management. I learned a lot while working there such as the benefits of teamwork and cultural sensitivity. The skills I gained while working as a service crew for the first time are sales skills and communication skills.

SKILLS, STRENGTHS & ABILITIES

- Excellent programming skills in C++ and Java
- Excellent in communication and collaboration skills
- Excel in Database such as MySQL and excellent in Object-Oriented Programming such as Bluejay
- Able to follow instructions closely, work under pressure and meet tight deadlines

EXTRACURRICULAR ACTIVITIES

Universiti Teknikal Malaysia Melaka

- Won First Place in Code Hunt Competition held by the department of Computer Science with me as a leader of the team (2023)
- Participated in Web and Software Development team for World Skills 2024

Sekolah Menengah Kebangsaan Seksyen 7

- Participated in Poster Drawing competition (District Level in 2017)
- Won Handball Sekolah Competition (first place) in 2018 and 2019
- Excellent credentials on extracurricular activities (Former President of Photography Club and Vice President of Handball)

Achievements & Awards

- Receive academic gold certificate of excellence in 2018
- Receive certificate for final year project of Computer Science in 2021 by obtaining a passing percentage of 100%
